MEMENTO

50th anniversary memory timeline

Choose an era you know well. One story is enough.

Memory card and story starters

- ☐ Name and how you know the couple [ ]
- ☐ Approximate year and place [ ]
- ☐ What did their first place together feel like?
- ☐ What small kindness did you see one do for the other?
- ☐ What do you remember about a meal or road trip?
- ☐ What's a tradition you hope stays in the family?
- ☐ What ordinary moment says the most about them now?
- ☐ Is there a photo to go with the story? Add its number [ ].

If a year is uncertain, name the decade. Give the card to the host. Ask the couple before sharing photos or stories more widely.
