Run the same test at the actual venue before booking or printing.

Venue and delivery checklist

- ☐ Test one saved voice note where the sign or handset will sit.
- ☐ Try guest mobile data and the venue Wi-Fi separately.
- ☐ Check a chair fits and someone can get there without blocking a doorway.
- ☐ Confirm exact guest count, per-recording limit and total price.
- ☐ Check who can record remotely, and test it with one guest.
- ☐ Write down when recordings become available and how to save them.
- ☐ For a handset, assign a return owner and write down the due date.
- ☐ For QR, share a clickable guest link and leave paper available.

Decision: [QR / rental handset / paper]. Owner: [name]. Rehearsal date: [date]. Recordings will go to: [names].
