MEMENTO

Wedding photo scavenger hunt

Pick two or three moments from cocktail hour and the reception.

Your photo list

- ☐ A detail someone made by hand
- ☐ Two guests greeting each other, with their okay
- ☐ The drink or dish named for someone
- ☐ A table’s view of the room
- ☐ The couple laughing between planned moments
- ☐ A handwritten note or welcome sign
- ☐ The dessert before the first slice
- ☐ An empty seat with a jacket or shawl
- ☐ Something that caught the evening light
- ☐ Two generations on the dance floor, with their okay
- ☐ A small moment at the edge of the room
- ☐ The last song from where you stood

Skip the ceremony, aisle and formal portraits. Ask first when photographing someone up close. Scan the separate event camera sign or open the link the hosts sent.
