Bridal shower advice card prompts

Pick one question, or write a wish on the back. A few lines are plenty.

Notes for the guest of honor

- ☐ An inexpensive tradition worth starting
- ☐ A favorite meal for a night when nobody wants to cook
- ☐ One generous thing I’ve seen you do
- ☐ A place to go for an afternoon together
- ☐ A reminder for a very ordinary Tuesday
- ☐ A funny story you have already told in public
- ☐ A household tip you actually use
- ☐ A wish for the next year

Write your name if you want the recipient to know who sent the note. Give it to the host or use the separately marked guest link. The host should explain who can read or hear it.
